### Landlord Agreement

I agree to have a representative view my rental. I understand that it is my responsibility to be in compliance with all the town zoning and rental laws in which my property is located. If the student/students fail/fails to pay the rent on time more than once without making arrangements, I will contact the program director. After an investigation, the program director may ask the student/students to leave my property. The student/students will be responsible for finding new living arrangements.
