### Host Agreement

I agree to have a representative view my student housing arrangement. I agree to discuss house rules and expectations with the student before the student's arrival. I will be respectful of my student's culture. If the student continually breaks my house rules or if the student continually lacks to pay weekly compensation, I will contact the program director. After an investigation, the program director may ask the student to leave my home. The student will be responsible for finding new living arrangements.
